# Wulanda Group Fitness Classes

## Class Guide for Members

Our group training and classes are suited to all levels of ability & fitness. Variations can be provided, and you are encouraged to go at your own pace.

Our fitness professional team will guide you through each session so that you will both enjoy and experience the benefits of exercise.

All classes include a warmup and cool down with the majority of the classes being 45-minute sessions unless stated otherwise.

### GYM FLOOR PROGRAMS

Active Adults	Our programmed sessions dedicated to the 50+ age group. Focused on core strength and low impact movements.
Cardio/Strength - SGT	A 30 min class in the gym targeted at both cardio fitness full body strength.
Cardio Blast - SGT	Raise your heart rate through high rep and low weight interval programs lead by one of our trainers.
Resistance - SGT	Engage and use your muscles and own body weight with lower reps for an all over body workout.
Speed - SGT	A faster paced version of Cardio for those wanting a little more challenge.
Strength - SGT	Focus on making you stronger. Weight based prorgams using free weights and machines.
Teen Gym	A dedicated session for our Teen Gym Members to train with support and guidance from a trainer.

### AQUATIC FITNESS PROGRAMS

Aqua Aerobics	Aqua aerobics is a cardiovascular workout, that slowly increases intensity to get your heart rate up. With variations of every exercise you can either go for a more intense or slower worker out.
Aqua Combat	Aqua Combat combines boxing-inspired moves with the resistance of water to create a high-intensity workout that boosts cardiovascular fitness.
Aqua Deep	Aqua deep is an intense cardio workout performed in the 25m pool. The program is designed for those wanting a harder workout without the stress on your joints.
Aqua HIIT	Aqua HIIT is a high tensity interval workout, this fast pace class keeps you moving with minimal rest.

## Class Guide for Members

### GROUP FITNESS PROGRAMS

Boxing	Get the heart rate pumping as we move through a combination of pad-work, cardio and boxing technique.
Core & More -30 minute class	Tighten, tone and strengthen your core muscles from every angle in this express abdominal blast!
ZUMBA	Zumba is a high-energy dance fitness program that combines Latin and international music with dance moves, creating a fun and effective workout experience.
Functional Fit	A class designed to help you build strength, build lean muscle and improve your weightlifting technique.
Yoga	An holistic experience for the body and mind. Designed to help increase strength and flexibility, reduce stress and promote overall wellness.
<b>LES MILLS</b> Body Pump	The original barbell class that strengthens and tones your entire body. Using light to moderate weight with high repetition, this training challenges small and large muscle groups while being motivated by modern and inspiring music.
Mindful Movement	A slow class designed for those new to group fitness or exercises, with the same program for numerous weeks allowing members to work on exercises and understand correct form.
Power Circuit	Circuit Training at its best! Combining strength, speed and cardio. Move around the stations for a workout with variety and challenge.
Spin	Hop on the spin bike for a small Instructor lead Cardio workout! BURN up to 800 calories per class!
Strength & Conditioning	A class focused on the lifting technique and form. This class is designed for those wanting to improve their strength.
Stretch & Flex - 30 minute class	A guided stretch and flexibility class designed to teach how to improve your recovery and flexibility.
HIIT (Plyo/Cardio/Strength)	A highly effective way to build your strength, speed, cardio fitness, coordination, explosive power and agility. A great way to tick so many boxes when it comes to improving every component of your fitness.
